Lesson-1: Reading Comprehension and Reading Lesson for CAT

What all do we provide in this course? We have an exhaustive set of material waiting for you:

A. CAT RC Video Lectures

In these videos, we take care of the different RC question types you will find in the CAT exam. These videos share the strategies used by Wordpandit to crack CAT RC questions.

Each question type gets exhaustive treatment and strategies are provided to help you handle the following:

- RC Main Idea Questions
- RC Primary Purpose Questions
- RC Title Questions
- RC Structure and Organisation Questions
- RC Inference Questions
- RC Fact and Specific Detail Questions
- RC Author Profession Questions
- RC Tone Questions + an exhaustive list of RC Tones List that helps you understand every possible RC tone on the planet!

B. CAT FAQ Video Lectures

In these short and sweet videos, Wordpandit explains the most common doubts related to CAT Reading Comprehensions. Questions ranging from what to read to how to improve one's accuracy are covered in this section. What's best is that if you have doubt related how to approach CAT RCs and it is not there in this FAQ section, you can ask Wordpandit to put up a video for the same.

C. Basic RC Practice

This section is for beginners. Featuring short RCs that have easy to moderate questions, this is the ideal way to begin your preparation. These RCs help you develop confidence in your area and help you build your RC practice stamina.

D. Actual CAT RCs Redefined

In this course, we provide you with all actual CAT RCs publicly available, that is, from 1990 to 2008. There are multiple reasons for doing so:

1. **Exhaustive Solutions:** Most books in the market do not provide complete, and in some cases, correct solutions for these passages. We take care of that for you.
2. **Additional Questions Based on Current Patterns:** This is why these passages have been re-defined by us! We have added new questions, based on the style of questions asked in the last three years, to these passages. You won't find this anywhere else and in any other course. What does this do? It provides you with the best possible problem practice for the passage types you are most likely to encounter in the exam.

E. Wordpandit RC Passages

Want original, freshly-baked, diverse and challenging passages? We have it covered for you with our Original RCs section. Each of these passages is made by Wordpandit himself and the whole selection provides you with the most comprehensive and in-depth practice for CAT passages.

F. Reading for CAT

Is this title for true? Can there be a 'Reading Course' for CAT? Well, we have one for you here that exclusively targets your Reading skills and helps you improve this critical skill for CAT.

What is this 'READING for CAT' course all about?

1. Basic Reading Related Concepts and Recommendations

Providing you with a detailed landscape of topics that have featured in CAT, we provide you an in-depth analysis of the reading skills required for CAT. Coupled with this, we provide comprehensive recommendations for reading and key insights that help you develop your reading habit.

2. Reading Exercise and Activities

We provide you practical activities and exercises that you can use to improve reading. You learn the unique method of 'ACTIVE READING' used by Wordpandit to boost RC accuracy. You also learn RC Note-making and what is subject-wise reading.

3. Essays for CAT

We feature a set of 20 essays for CAT. These essays are written by some of the best authors and provide you with a different kind of reading challenge.

Lesson-2: Editor's Pick

There is a simple question for you: how do you prepare for the diverse set of topics that feature in CAT Reading Comprehensions?

Well, you need to read from a diverse set of resources for the same. But wait, how do you know what to read and where to read it from? Even if you pick some reading material, how do you whether this is the apt reading material for CAT?

Well, Wordpandit solves this problem for you. With a hand-picked selection of articles for 20 areas, we expose you to the best quality reading material available for CAT.

We cover the following topics in this section:

- Art and Culture
- Business
- Climate Change
- Education
- Economics
- Environment
- Feminism
- Food and Nutrition
- Genetics
- Health and Medicine
- Internet Technology
- Linguistics
- Philosophy
- Politics
- Psychology
- Race and Racism
- Science
- Sociology
- Sports
- Travel and Adventure

Considering the diversity of topics, you can pick from the area you like and then move on to the others.

Vocabulary for Reading

Well, we just don't know how to stop building awesome resources for you! For the areas mentioned above in the Editor's Pick section, we have provided a detailed list of important terms and words that you encounter for the above areas. These terms prepare you to face any alien concept that you might encounter from any passage in the areas above.

Note: We are building videos for these important terms as well and you would have these available to you very soon.

Lesson-3: Daily Reads and Daily Reads RCs

Want daily reading assistance? Want someone to do the hard-work for you and provide you with the right set of daily reading links that you need for your preparation? We have this sorted for you with our Daily Reads course. We provide a collection of four reading links on a daily basis. These links are split across two levels.

What is special about our daily reads?

- ✓ For starters, they cover a diverse set of topics and make sure you are exposed to the best of reading material available.
- ✓ These articles are handpicked by Wordpandit himself on a daily basis.
- ✓ Articles are accompanied by summaries. These help you check whether you understood the articles correctly.
- ✓ We focus on specific topics on certain days. These topics have a relation with the important news and events of the world. So, this section also helps you build your general knowledge.

Daily Reads RC of the Day

Along with our daily reading assistance (brought to you by our Daily Reads section), we have daily RC practice for you as well. Out of the four reading suggestions we provide on a daily basis, we provide you a reading comprehension for one of these articles. These fresh questions pose an additional reading challenge for you and make sure that your reading skills are constantly co-related to your comprehension skills.

This is what you want, right?

Lesson-4: Verbal Reasoning and Logic

The CAT exam in the last three years has featured only three topics:

- Para-jumbles
- Misfit Sentence
- Paragraph Summary

Keeping this in mind, we have specially designed this course which exhaustively targets these three topics. What all do we provide in this course? We have an exhaustive set of material for you:

A. Concept Videos

All the important tricks, tips and techniques to solve these question types are highlighted in these videos. Watch these videos and master these topics.

B. Practice Tests

We provide extensive practice for these three problem types with the help of 10-question practice tests. Remember, these topics are all about practice and you need to refine your skills by solving our daily test for these topics.

In total, we provide you more than 100 such tests for these three topics. Remember, this is one of the very few courses that provides your new and original practice questions for topics such as Summary Writing and Misfit Sentences.

Supplementary Topics

Along with the above topics, we also cover the other important reasoning topics in the course:

- Deductive Logic and Logical Consistency
- Critical Reasoning
- Para-completion
- Fact, Inferences and Judgments
- Verbal Reasoning

These topics are important from the perspective of non-CAT MBA entrance exams. Also, we never know when a topic is back in vogue in CAT.

Lesson-5: Grammar Basics, Advanced Grammar, and Grammar Question Bank

We cover all the important areas for Grammar, divided in two parts.

A. Grammar Basics

This is all about building your foundation for Grammar. We cover the following topics:

- Nouns
- Pronouns
- Adjectives
- Adverbs
- Verbs
- Prepositions
- Conjunctions
- Articles
- Phrases and Clauses

For each of the above topics, you get video lectures and the apt PDF notes (where and when required). Each topic is covered in the most exhaustive fashion possible.

B. Advanced Grammar

This is about fine-tuning your Grammar skills and making you aware of the numerous error types you are going to encounter. The following question types are covered:

- Pronoun Errors
- Subject Verb Agreement
- Verb Tense
- Parallel Structure
- Modifiers
- Sentence Correction tips
- Miscellaneous Grammar errors

Once again, for each of the above topics, you get video lectures and the apt PDF notes (where and when required). Each topic is covered in the most exhaustive fashion possible.

C. Grammar Question Bank

The cherry on the top is the Grammar Question bank that accompanies the video lectures. You will have access to the following test types:

- Part-error/Common Error Tests
- Sentence Correction Tests
- Grammar based Fill in the Blanks and other question types

Please note: Grammar Videos are part of the Premium and Ultimate Packages. These are not provided in the Basic plan.

Lesson-6: Vocabulary Lesson and Question Bank

How to learn words? The question is plain and simple. You don't need to worry. We have the answers for you. We help you by providing the following:

A. How to learn Words Video Series

Simply explain to you how to learn words.
